4. Comment. Possibly overhauled tanks which were returned from Kirchmoeser to the 7th Gds Mec2 Div at Lieberose. As on 26 April 1953, however, 24 flatcars with tanks arrived from the U.S.S.R. via Frankfurt/Oder with Kirchmoeser as receiving station, it is also possible that these tanks reached Kirchmoeser on about 27 April 1953 and were distributed to tank units on 28 April 1953.
